From a small vineyard planted in the mid-80s by the Materne family, noted grapegrowers, wild yeast open-fermented, 17 days on skins, matured in new and used French oak for 21 months. Elegant, juicy and full of cherry and blackberry fruit on the long, perfectly balanced palate. Much shiraz is picked in a 15-15.5% range, what a waste. Have a glass of this and don't feel ashamed.
